WHY

Did JOHN MORROW & CO, Springfield, Ohio, Proors of Kip-we-Ottes, allow VANSYCKI.E ADVERprieture of Kilder-Otto, allow VANSYCKLE ADVERTISING OD 35,000 booklets to cover Indianapolis and 6,000 to cover Muncia, paying \$1,75 per 1,000 for the Judinapolis work and \$2.00 for the Muncie work, are their usual bill for distributing, window displays, and placing of banners, amounting to \$43,60, for advertising both cities through VANSYCKLE?

WHEN

This same firm had just recently placed 20,000 copies of the same booklet in Indiana polis, through Will A. Molton, of Cleveland, Ohio, and Molton having the work doze by an irresponsible party for \$1.50 per 1,000, and then, so doubt, deducting his mand commission of 10 per cent. from a price already too low to allow even a fair profit on bonest work in Indianapolis.

BECAUSE

IOHN MORROW & CO. discovered that they had made a mistake in entrusting their work for the above-named cities, as well as others, to the care of Will A. Molton and chies, as well as others, to the care of Will A. Molion and allowing it to be put out "say old way," just so Molton succeeded in getting the work done for \$1.50 and his com-mission, thereby allowing the distributor the large sum of \$1.55 per \$1,000, Secusia JOHN MORROW & CO. inve-tigated theoroughly and found that the VANSYCKLE tigated theoroughly and found that the VANSYCKLE service was the only good and reliable service to be ob tained in Indianapolis, and by far the cheapest in this end.
